Comments: This was a great opener for our boys. Gavin set new school record in shot with a massive toss of 62-9. Our sprinters, hurdlers, distance, & throwers produced big on scoring. We definitely have the POTENTIAL to be among the top teams in our state. We just have to get better if we plan to be among them at state meet. Just keep working on improving each day and the only way to do that is work harder. Great Job last night
