Comments: This was a good opener for our girls. Even though we had several out of town due to spring break, we had some solid performances. The weather was definitely a challenge, but now you have marks or times to improve upon during the season. The main goal is to be better each week and for this to happen, we must work harder each week if we expect to be better. I'm proud of your efforts ....

**Next meet is Saturday March 30 at Hurricane.**
